

Adam Wa Mishmish

We sing so we can learn

About Us

With the lack of quality Arabic content available for kids, Adam Wa Mishmish was born. Insuring that young children have access to entertaining Arabic shows.

We make Arabic fun! Through the world of musical education, animation and interactive play. What was once just a cartoon series on YouTube is now much more.

We are one of the very few performers in the region that create original educational shows in Classical Arabic. We offer a unique experience both parents and children love.

How a Jordanian family is trying to save the Arabic language, one cartoon at a time

Disappointed with the lack of quality educational videos in Arabic, Luma Adnani and Ibrahim Taha launched the online cartoon show 'Adam Wa Mishmish' to help make learning Arabic a pleasurable experience for children in a region where many young people prefer English.

Parents' Arabic-learning series for son goes viral

Project began with family seeking to encourage son to learn mother tongue

By Laila Azzeh - Jun 06, 2017 - Last updated at Jun 06, 2017

AMMAN - A commitment to ensure that their son properly speaks his native language in light of the lack of "catchy" educational content in Arabic has prompted a family to compose its own learning materials, which are now going viral.

What began as simple songs to teach their son Adam basic language skills, became a

آدم ومشمش والغول اللطيف

Duration: 45 minutes

Age Group: 0 – 8

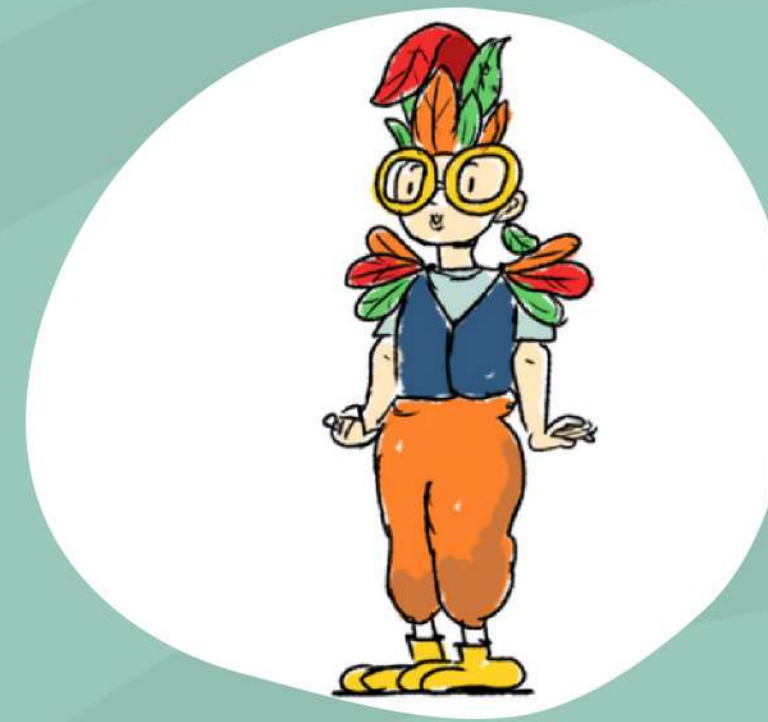

Adam wa Mishmish and their friends, Naqoota, SimSim the cat and za'zoo' the dog meet a mysterious monster the "ghoul". They embark on a journey to recover the letters stolen from "ghoul"s name and free the funny musical birds that have been trapped for years, by the Shireer.

This play is based off our widely successful play "Garden of the letters", with the recurring characters Naqoota and Shireer.

Our new play motifs are about friendship, kindness and the power of the Arabic letters.

Play Characters

Insects in the Garden

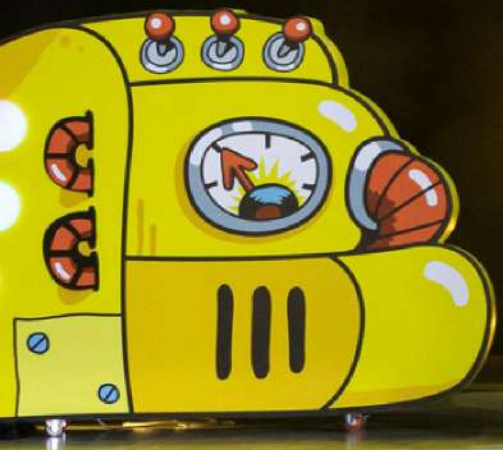

Duration: 30 minutes

Age Group: 0 - 8

Join Adam Wa Mishmish on a new adventure with the insects in the garden! One day, Adam wa mishmish heard the sound of music coming from the garden. When they looked closer they discovered some insects...playing instruments. They decided to shrink down to their size and live a day in their lives. There they met some very special musical insects, including Nizar the guitar playing ant, Dalal the ladybug with a beautiful voice, Nabeel the bass playing bee and all their friends. The insects have worked hard all year to collect warmth for the winter with a very special music absorbing machine. However, the machine breaks by accident and the insects are no longer ready for winter. Will they be able to collect enough warmth in time for winter in such short notice? Can Adam wa Mishmish help them?

Workshops

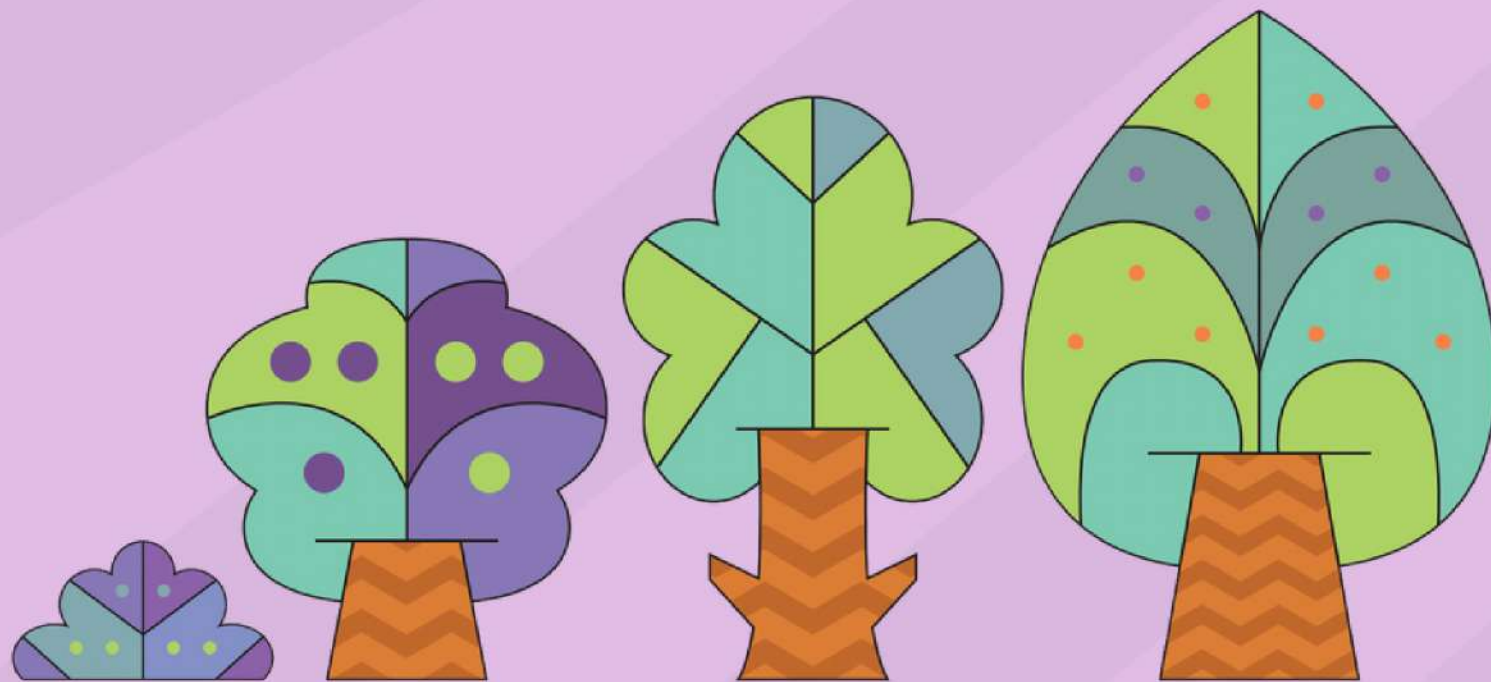

Make your own forest of Letters

Duration: 15-20 minutes

Age Group: 1 - 10

We will have precut letters ready for the kids to color and design. There will also be one side of the play area that is a wall of trees (our own forest of letters).

Once children design their letters and are ready, they can hang their letters on the trees in a wall of trees.

حروف الحيوانات

Letter Crafts حرف الحروف

Duration: 15- 30 minutes

Age Group: 2 -10

In this craft, children will design letters in different levels of difficulty depending on their age group.

Level 1:

In this craft, we will precut Arabic letters using thick solid materials, then prepare accessories that go on top to create the Animal Alphabet characters on the right.

Level 2:

We will precut Arabic letters in thick solid material and bring things like fabrics, buttons, feathers and so on for kids to design the pre-cut letters .

Level 3:

We will precut Arabic letters using thick solid materials and then have children use yarn to design them.

Jumping Jack Toys

Adam Wa Mishmish in the Garden of Letters

Duration: 15- 30 minutes

Age Group: 3 - 10

Using the characters from the Adam Wa Mishmish in the garden of letters play, we will create jumping jack toys. We will pre-cut the parts and the children will assemble them with help of our instructors.

We can create several types with varying difficulty to accommodate a range of age groups.

Play-dough corner

Duration: 15-20 minutes

Age Group: 1 - 5

Option 1:

Pre-made play-dough can be made available along with some materials for kids to cut, roll and design the play-dough.

Option 2:

We can also work on letter tracing in play-dough for this activity.

Option 3:

We can have kids involved in the play-dough making process before the activities.

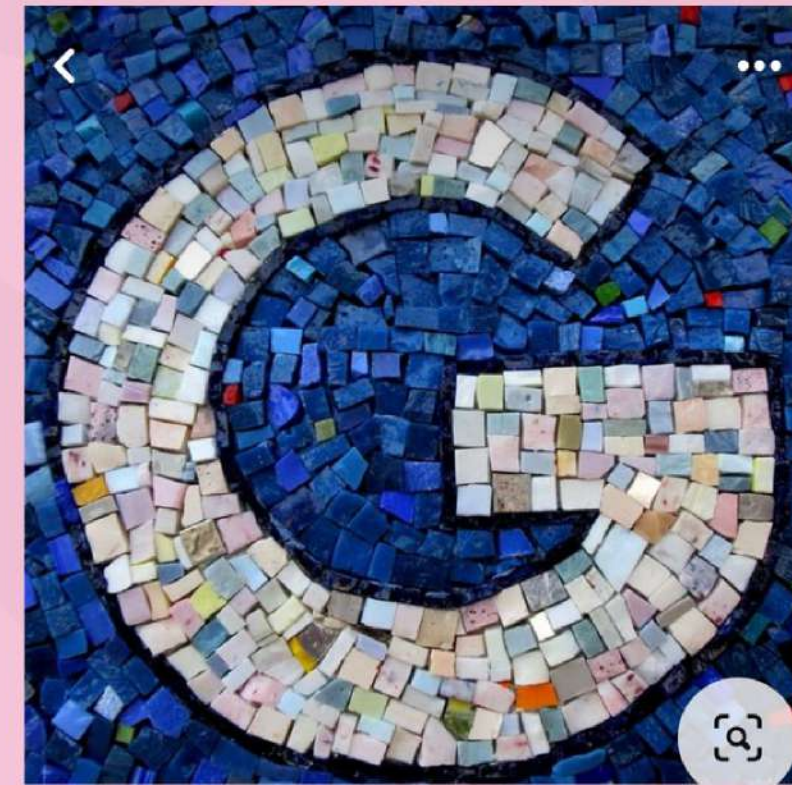

Mosaic Art

Duration: 15-20 minutes

Age Group: 1-10

Children can create letters or other shapes, animals...etc. in mosaic using beans or other materials for mosaic pieces.

We can have pre-made pieces made for inspiration for the children and the instructors can assist them. We will change the materials and level of difficulty to accommodate the different age groups.

Dot Art

Duration: 15- 20 minutes

Age Group: 1 - 10

Our play is all about the dots of the Arabic alphabet. We can embrace and celebrate the dots by creating a long strip of canvas and having kids make their own dot art contribution.

Tote Bag Art

Duration: 15- 30 minutes

Age Group: 2-10

We can provide kids with tote bags and art materials including paint and other objects they can glue to the bags.

Each child can create a tote bag decorating the first letter of their name.

Sensory Letter Tracing

Duration: 15-20 minutes

Age Group: 1 - 5

A fun activity for Arabic letter recognition and fine motor skill mobility. We will have 5 stations of small boxes with sand and letter cards next to them where kids can choose a letter and trace it in the sand.

Alphabet game

Duration: 15- 20 minutes

Age Group: 4 - 10

On one of the floor spaces, we can have letters placed in many circles. The instructor will throw a large dice with letters on it. Whatever letter the dice shows face up, children must run to a spot with that letter.

Sensory Play

Duration: 15- 30 minutes

Age Group: 2-5

Using different materials we can create multiple sensory bins for younger children to play with and enjoy.

Thank you!
